The SWAG Family Resource Center is a collaboration between the grassroots community organization, the SW Advocacy Group (SWAG), our local community-based-care agency- Partnership for Strong Families, and Alachua County.

SWAG is made up of area residents, advocates, and service providers that strive to improve the health, well-being and success of residents in the Tower Road area, just west of I-75 in the 32607 zip code in southwest, unincorporated Gainesville. SWAG Family Resource Center, operated by Partnership for Strong Families, aims to improve the overall quality of life and increase protective factors in its seven neighborhoods, including Majestic Oaks, Linton Oaks, Tower Oaks, Holly Heights/Gordon Manor, Pine Meadow, Harbor Cove and Hidden Oaks through access to community resources, health services and educational opportunities.

Please call 505-6823 if you have any questions about programming, donations, or volunteering.

We look forward to seeing you!
