

## Adoption Day At Courthouse

Posted: Thu 12:16 AM, Nov 30, 2017

At the Alachua County family and civil justice center this morning, eight children were adopted by families.

Partnership for Strong Families held a celebration for finalizing the new families adoptions today.

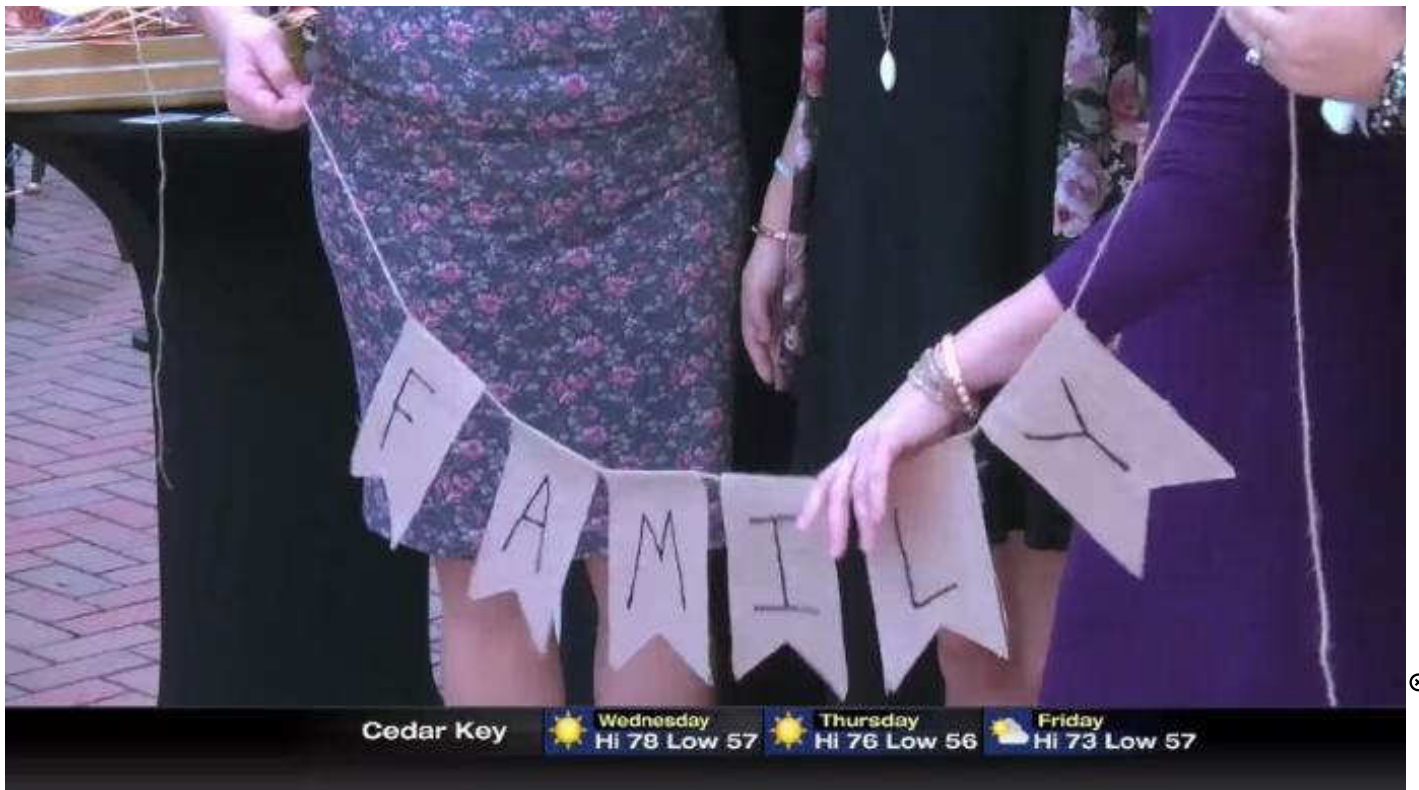

The court room was decorated in balloons and everyone wore superhero costumes.

Brenda Shaderowe adopted three siblings today and says she's excited that the day has finally come.

"Feeling accomplished like we are accomplishing something that is going to make a difference in the future not only for me but for these beautiful children that were adopting today." Brenda Shaderowe, mother

20 children have been adopted this month, but the organization says they have about 50 kids looking for homes.
