

The "Amazing Give" kicked off today to raise money for non-profits in the area

Gainesville, Fla. WGFL — Today kicked off "The Amazing Give" a 24-hour window to go to a single online donation platform to check out over 100 non-profit organization in north central Florida.

One of those organizations is the Partnership for Strong Families, they would to provide support for children in the foster care system.

Money they raise goes straight to foster children to help give them normal lives like being able to go out for dinner and a movie for their birthday, or buy new clothes for school.

Patty Carroll with the Partnership for Strong Families said any donation helps, even the five dollars you might otherwise spend on a cup of coffee.
