Post Adoption Family Fun Day

SELFLESS LOVE FOUNDATION
FOSTERING DREAMS FOR FOSTER CHILDREN

PSF had a wonderful Family Fun Day at Skate Station last month! PSF is grateful for the generous grant from Selfless Love Foundation that made the Family Fun Day possible. We had representatives from Sunshine Health, Fundamental Therapy Solutions, Restoring Hope Counseling, CARD, BASS, Kidstrong, and FDLRS answering parents questions. Here's what some of the families had to say afterwards:

"Thank you so much for putting on the Skate Station event. All my crew had a wonderful time. They love skating. The endless time on the go kart track was beyond thrilling for the nine-year-old. The seven-year-old loved the trampoline and the soft play, she also enjoyed multiple sandwiches and snacks!"

"Thank you all so much for putting together such a wonderful Family Fun Day at Skate Station! My family truly enjoyed the event. It was great seeing everyone come together, and the atmosphere was fun, welcoming, and family-oriented. The kids had an amazing time skating, laughing, and making memories. We really appreciate all the time and effort that went into organizing such a special day for the families. Looking forward to future events!"

"Just want to say thank you so much for inviting me and the kids. The kids had a great time, I did as well. The kids are still talking about what an amazing time they had. It was well put together, hats off to you guys for a job well done."

"We all had a blast at Family Fun Day. The kiddos really enjoyed the Games, Activities, Go Carts, and the Arcades. The fun foods were tasty and delicious. The event was action packed and it was good to see our families all come together for such a special occasion to celebrate and enjoy. Hats off and many thanks to our Village of dedicated advocates for our families. Your support, generosity and kindness is very much appreciated!"

"It was our son's first time being tall enough for go carts and he loved it! Between the go carts and mini golf he had "the greatest time ever!"

"Another family outing our kids won't forget. We had a blast!!!"

Children Looking for their Forever Families

Anakin, 8 years old

Anakin is a loving little boy who enjoys cuddling with his caregivers, watching cartoons on YouTube Kids, putting puzzles together, and taking walks outdoors. He benefits from attentive supervision and enjoys spending time with adults who engage with him and support his interests.

Anakin would do best in a nurturing two-parent home where caregivers can provide patience, consistency, and a strong commitment to understanding his unique way of interacting with the world. He would especially benefit from parents who have experience with children with disabilities, or who are willing to participate in specialized training to support his needs. Anakin will thrive in a stable and loving environment with caregivers who are prepared to advocate for him, learn the skills needed to support his development, and provide the attention and guidance he needs to grow and succeed.

Anakin's adoption ID is 109537392. For more information on Anakin, please contact Keisha Battles at Keisha.Battles@pfsf.org.
