1	Hi, and yes I think you guys are doing well! And I'm doing well, as so is my family doing well. Thank you for everything that you guys have helped us all and we are now doing better then we were before.
2	coming over each month ask if everything is okay in our family making sure the house is clean
3	Everything you do is good the only improvement is planning home visits. They need to be made ahead of time instead of last minute
