Partnership for Strong Families' Resource Centers**

GAINESVILLE, FLA – Partnership for Strong Families (PSF) is pleased to announce their expanded partnership with the Children's Trust of Alachua County. The Children's Trust funding will allow continued support of local Alachua County children and families served by Library Partnership Resource Center, SWAG Family Resource Center, and Community Resource Navigation Program.

Ginger Griffeth, PSF's CEO stated: "We are thrilled to announce our continued partnership with the Children's Trust of Alachua County, a collaboration that marks a significant milestone in our mission to support and empower children and families in Alachua County. This generous funding from the Children's Trust is not just financial support; it's a testament to the shared vision and commitment we hold towards making a lasting, positive impact in our community."

With this generous funding and partnership, Alachua County Family Resource Centers will continue to provide Family Support Programs like food distribution, clothing closets, financial literacy, after-school and homework help programs, employability skills, and so much more.

"This investment in our families will ensure continued access to a network of resources that can so often be a lifeline," said Marsha Kiner, Executive Director of the Children's Trust. "We are proud to support the Partnership for Strong Families and its efforts to improve the lives of our children and families."
